RAUCH MISSION STATEMENT

FAMILY Who we are.	Founded in 1919, Rauch is today an international business with Austrian family roots in its fourth generation. Our motivated team and our pursuit of highest quality are the basis of our success. This has made us one of the leading fruit juice and beverage manufacturers in Europe and worldwide. Rauch quenches the thirst for fruit in almost 100 countries across the world.
FRUITS What we do.	Drinking is vitally important, but Rauch offers more: A variety of drinks, unique its high quality – fruity, natural, fresh and pure. From nature, for people, Rauch products stand for healthy, lifestyle, pleasure and refreshment. Our brands capture the spirit of the times and offer the best of fruits from all over the world.
NATURE What is important to us.	We honor nature as the origin of the fruit, our most important resource. We actively work to use the natural resources economically, cautiously and sustainably. Rauch assumes responsibility and is committed to the environment.
